TOGETHER, WE WILL SEE A DAY WHERE EVERYONE HAS ACCESS TO CLEAN WATER AND SANITATION.

OUR MISSION

To combat the water and sanitation crisis through facilitating service trips that unite rural community members with volunteers to build progress together.

OUR IMPACT

Since 2010, we have completed 71 projects, to provide over 4,000 individuals with access to clean, running water in their homes and over 1,000 families with access to proper sanitation by way of newly constructed latrines.

YOUR ROLE

By donating to BLUE Missions you are choosing to invest in public health, opportunity, and empowerment. We make sure to make the most out of that investment through our BE BOLD MODEL which assures that **100% of all public donations go directly to the field.**
